Dear Mr. Hedburg:

Please be advised that additional reclamation treatment and passage of time in the areas referred to above is now completed. Please accept this request to conduct a reclamation site inspection. The inspection should be conducted in late spring to better view the spring growth.

I look forward to your reply on setting a date concerning this inspection. Please feel free to contact me at (801-864-2701) ext.211.

Sincerely,
